SUBSCRIPTION OF CONVERTIBLE EXCHANGEABLE NOTES AND A POSSIBLE VERY SUBSTANTIAL ACQUISITION

On 23 March 2006, Wing On entered into the Subscription Agreements in relation to the subscription by 11 Subscribers of the 2% convertible exchangeable notes with an aggregate principal amount of HK\$1,000 million. CEL, HIL and the nine Other Subscribers have conditionally agreed to subscribe for the Notes with principal amount of HK\$300 million, HK\$200 million and HK\$500 million by cash respectively.

CEL is the substantial shareholder of Wing On holding approximately 27.74% of the total issued Wing On Shares as at the date of the CEL Subscription Agreement and therefore a connected person of Wing On pursuant to the Listing Rules. Accordingly, the issue of the CEL Notes by Wing On to CEL under the CEL Subscription Agreement constitutes a connected transaction of Wing On pursuant to the Listing Rules. The Subscription Agreements are subject to the approval of the Independent Wing On Shareholders at a general meeting of Wing On on which voting will be taken by poll. CEL and its associates will abstain from voting on the relevant resolution in relation to the Subscription Agreements.

An independent board committee will be constituted by Wing On to advise the Independent Wing On Shareholders and an independent financial adviser will be appointed by Wing On to advise the Independent Board Committee and the Independent Wing On Shareholders as regards the terms of the Subscription Agreements and the Notes.

A special general meeting of Wing On will be held to consider and, if thought fit, approve the necessary resolutions in respect of the transactions contemplated in the Subscription Agreements including the issue of the Notes and the Conversion Shares which fall to be issued and allotted on exercise of conversion rights attached to the Notes. A circular containing, among others, (i) details of the Subscription Agreements and the Notes; (ii) a letter of advice from the independent financial adviser to the Independent Board Committee and the Independent Wing On Shareholders on the terms of the Subscription Agreements and the Notes; (iii) a letter of recommendation from the Independent Board Committee to the Independent Wing On Shareholders; and (iv) the notice of the special general meeting of Wing On will be sent to the Wing On Shareholders as soon as practicable.

The CEL Subscription under the CEL Subscription Agreement constitutes a major transaction for China Strategic under the Listing Rules. Upon exercise of the conversion rights attached to the CEL Notes, the acquisition of equity interests in Wing On may constitute a very substantial acquisition for China Strategic under the Listing Rules. Accordingly, the CEL Subscription and the transactions contemplated under the CEL Subscription Agreement (including the possible very substantial acquisition of equity interests in Wing On on conversion of the CEL Notes) are subject to the approval of the China Strategic Shareholders at a general meeting of China Strategic. To the best knowledge of the China Strategic Directors, no China Strategic Shareholders have material interests in the CEL Subscription Agreement which are different from other China Strategic Shareholders. Accordingly, no China Strategic Shareholders will be required to abstain from voting on the CEL Subscription and the transactions contemplated under the CEL Subscription Agreement (including the possible very substantial acquisition of equity interests in Wing On on conversion of the CEL Notes).

An extraordinary general meeting of China Strategic will be held to consider and, if thought fit, approve the necessary resolutions in respect of the CEL Subscription and the transactions contemplated under the CEL Subscription Agreement (including the possible very substantial acquisition of equity interests in Wing On on conversion of the CEL Notes). A circular containing, among other things, (i) details about the CEL Subscription; and (ii) the notice convening the extraordinary general meeting of China Strategic will be despatched to the China Strategic Shareholders as soon as practicable.

REASONS FOR THE ISSUE OF THE NOTES AND USE OF PROCEEDS

The principal activity of Wing On is investment holding, with its subsidiaries mainly engaged in the provision of package tours, travel and related services, and hotel operations.

Given the improving economic atmosphere in Hong Kong, the continuous expansion of the Closer Economic Partnership Arrangement and the PRC Individual Visit Scheme to Hong Kong, and the recovery in the outbound market to Southeast Asian countries from the Indian Ocean tsunami happened in 2004, the Wing On Group has achieved satisfactory growth in its travel, hotel and related business in the first half of 2005. The Wing On Directors consider that these positive momentum, coupled with the hosting of the Beijing Olympic Games in 2008 and the staging of the equestrian events of 2008 Olympic Games in Hong Kong, will continue to boost the tourism industry and overall demand for hotel rooms in the region. The Wing On Directors consider that the positive market development will provide the Wing On Group with immense opportunities. The Wing On Group will actively explore new investment opportunities to enlarge its market share through expansion in its branch network and expand its leisure business and hotel network further to the acquisition in February 2005 of the interest in an associated company engaged in hotel business in Macau. The Wing On Directors are of the view that issue of the Notes with conversion feature would strengthen the financial capability of the Wing On Group and raise capital for further possible acquisitions when such opportunities arise without immediate dilution in shareholding to existing Wing On Shareholders. The exchangeable right into shares of the Spin-off Entity is structured into the Notes to provide the Subscribers an opportunity to leverage on future possible positive corporate development of the Wing On Group during the relatively long maturity of the Notes. The Wing On Directors consider the terms of the Subscription and the Notes (including the CEL Subscription Agreement and the CEL Notes which have the same principal terms as those set out in the Subscription Agreements and the Notes to be issued to the Other Subscribers) are fair and reasonable and the Subscription is in the interests of Wing On and its shareholders as a whole.

The net proceeds of approximately HK\$998.8 million raised from the Subscription are expected to be used by the Wing On Group for the purpose of expanding its hotel business and travel related business. The Wing On Directors have been identifying suitable investment targets in the hotel and travel related business for the Wing On Group. However, as at the date of this announcement, no negotiations for investments in any targets have been materialised or proceeded to a mature stage. To the extent that the net proceeds are not immediately applied for the above purposes, the Wing On Directors intend that the net proceeds may be used to reduce the gearing of the Wing On Group. Based on the unaudited 2005 interim report of Wing On, the gearing ratio of the Wing On Group (calculated as total debts and borrowings divided by equity attributable to Wing On Shareholders) as at 30 June 2005 was approximately 106.0%.

Given the improving financial performance of the Wing On Group, the China Strategic Directors are positive about the prospects of the Wing On Group and consider it an opportune time to increase its investment in Wing On. In light of the above intended use of proceeds from the Subscription and the expansion plan of Wing On, the China Strategic Directors consider that the CEL Subscription represents a good opportunity for the China Strategic Group to expand its investments in the hotel and leisure business by leveraging on the extensive experience of the management of Wing On in the tourism and hotel industry. The conversion rights attached to the CEL Notes give China Strategic the flexibility to acquire further equity interests in Wing On should the China Strategic Directors consider it appropriate. Based on the above, the China Strategic Directors consider that the CEL Subscription is in the interests of China Strategic and its shareholders as a whole and the terms of the CEL Subscription Agreement to be fair and reasonable as far as the China Strategic Shareholders are concerned. The China Strategic Group intends to fund the subscription of the CEL Notes by its internal resources and/or debt financing.

Notes:

- 1

As at the date of this announcement, CEL, through its wholly-owned subsidiary Million Good Limited, is beneficially interested in 121,386,481 Wing On Shares.
2.

Should HIL and each of the Other Subscribers hold less than 10% of the issued Wing On Shares upon full conversion of the Notes, each of them will be treated as a public Wing On Shareholder.

As at the date of the Subscription Agreements, CEL was interested in 121,386,481 Wing On Shares, representing approximately 27.74% of the existing issued Wing On Shares and 19.81% of the issued Wing On Shares on completion of the Placing. Depending on the then shareholding structure of Wing On and the extent to which the conversion rights of the Notes are to be exercised by any of the Subscribers, certain Subscribers may individually become interested in 30% or more of the enlarged issued share capital of Wing On upon conversion of their Notes. In such circumstances, the relevant Subscriber(s) and their Concert Parties will be obliged to make a mandatory offer to the Wing On Shareholders to acquire all the Wing On Shares, other than those already owned or agreed to be acquired by such Subscriber(s) and their Concert Parties, in accordance with Rule 26 of the Takeovers Code unless a waiver thereto is obtained. Such Subscriber(s) and their Concert Parties will comply with the relevant requirements of the Takeovers Code in such event that an obligation for a mandatory general offer arises.

As at the date of this announcement, no decision has been made as to whether or when or the extent to which the conversion rights attached to the CEL Notes are to be exercised by CEL. The extent of exercise of the conversion rights attached to the CEL Notes by CEL would depend on a number of factors such as the future financial position and business prospects of the Wing On Group, the market performance of the Wing On Shares, and the extent to which HIL and the Other Subscribers exercise the conversion rights attached to their Notes. Accordingly, the China Strategic Directors are not in a position to state their intention about the extent of conversion rights that would be exercised by CEL and whether Wing On will become a subsidiary of CEL at this stage.

Wing On and the Wing On Directors will take appropriate steps to ensure that there will be sufficient public float for the Wing On Shares immediately following conversion of the Notes and at any time during the term of the Notes.

The Stock Exchange has indicated that should the Subscription be completed, it will closely monitor trading in the Wing On Shares if less than 25% of the issued Wing On Shares are held by the public. If the Stock Exchange believes that a false market exists or may exist in the trading in the Wing On Shares, or there are too few Wing On Shares in public hands to maintain an orderly market, then it will consider exercising its discretion to suspend trading in the Wing On Shares until a sufficient level of public float is attained.

DILUTION EFFECT ON WING ON SHAREHOLDERS

In view of the future dilution of existing Wing On Shareholders on the exercise of the conversion rights attaching to the Notes, Wing On will keep the Wing On Shareholders informed of the level of dilution and details of conversion as follows:

- (i)

Wing On will make a monthly announcement (the “Monthly Announcement”) on the website of the Stock Exchange after Completion. Such announcement will be made on or before the fifth business day following the end of each calendar month and will include the following details in a table form:

(a)

whether there is any conversion of the Notes during the relevant month. If there is a conversion, details thereof, including the conversion date, number of new Wing On Shares issued and conversion price for each conversion. If there is no conversion during the relevant month, a negative statement to that effect;

(b)

the number of outstanding Notes after the conversion, if any;

- (c)

the total number of new Wing On Shares issued pursuant to other transactions during the relevant month, including new Wing On Shares issued pursuant to exercise of options under any share option scheme(s) of Wing On (if any); and
- (d)

the total issued share capital of Wing On as at the commencement and the last day of the relevant month; and
- (ii)

in addition to the Monthly Announcement, if the cumulative amount of new Wing On Shares issued pursuant to the conversion of the Notes reaches 5% of the issued share capital of Wing On as disclosed in the last Monthly Announcement or any subsequent announcement made by Wing On in respect of the Notes (as the case may be) (and thereafter in a multiple of such 5% threshold), Wing On will make an announcement on the website of the Stock Exchange including details as stated in (a) above for the period commencing from the date of the last Monthly Announcement or any subsequent announcement in respect of the Notes (as the case may be) up to the date on which the total amount of Wing On Shares issued pursuant to the conversion amounted to 5% of the issued share capital of Wing On as disclosed in the last Monthly Announcement or any subsequent announcement made by Wing On in respect of the Notes (as the case may be).

SUMMARY OF EQUITY FUND RAISING ACTIVITIES OF WING ON IN THE PAST TWELVE MONTHS

On 1 March 2006, Wing On announced that it entered into a placing agreement with the Placing Agent pursuant to which the Placing Agent conditionally agreed to place, on a best effort basis, up to 175,000,000 new Wing On Shares at a price of HK\$0.69 per share to not less than six placees. The net proceeds from the Placing are estimated to be about HK\$119.7 million which will be used as the Wing On Group's general working capital. The Placing is conditional on, among others, (i) the passing of the resolution at the special general meeting by the Wing On Shareholders to be held on 10 April 2006; and (ii) the completion of the Capital Reorganisation. As at the date of this announcement, none of the conditions precedent to completion of the Placing has been fulfilled. Details of the Placing are set out in the announcement of Wing On dated 1 March 2006 and circular of Wing On dated 17 March 2006.

Other than the Placing as mentioned above, Wing On has not conducted any other fund raising activities in the past twelve months from the date of this announcement.
